SEE HOW IT WORKS

## How It Works

STEP 1

STEP 2

STEP 3

### Build Trust. Get Verified. Grow Globally.

Empower your reputation with verified testimonials, dynamic badges, and a live Trust Score that proves your credibility – automatically.

#### How It Works

**STEP 1**

**Verify Yourself or Your Business**

Complete our simple identity or business verification process. We'll verify your information automatically.

**STEP 2**

**Collect Verified Testimonials**

Send review requests. Collect email-verified testimonials from clients – with one click!

**STEP 3**

**Showcase Trust, Everywhere**

Earn badges, track your Trust Score and embed it on your website, social or email.

#### Key Features

- Verified Business Small description about the products
- Trust Score with Real-time updates
- Dynamic Badges (Email verified)
- A/B Testing (Active)
- Verified User & Testimonials

#### Built for Freelancers, Job seekers, Founders, and Global Brands

**Individuals**

- Create a verified profile
- Collect testimonials from clients
- Build trust to land jobs or clients

**Businesses**

- Manage your team's reputation
- Showcase trust for products & services
- Engage with the great verified directory

#### Why Verified Trust Matters

- Verified reviews on the internet make it get trust or not trust!
- Verified testimonials make B2B easier
- Trust badges make it easy to make a few, visible and available

#### Why Get Verified with TrustVerifi?

- TRUSTED** - Collect verified testimonials from real clients
- TOP RATED** - Support your global business with all countries
- QUALITY** - Trust your testimonials with all companies
- PROOF** - Earning verified badges to grow your Trust Score
